COVER STORY

WOMAN ON A MISSION. A lone woman on the beach catches the attention of the local community. She is standing at the edge, just below the mangrove forests, and she is facing the sun, which is casually shining bright on this clear day. The water is lapping lightly at her feet

STANDING IN THE OCEAN TO FIGHT FOR THE PLANET

I MET MARTIN MARANI, A KENYAN PROFESSOR OF ENVIRONMENTAL STUDIES FROM THE UNIVERSITY OF NAIROBI, IN NEW YORK. WHEN I SHARED ABOUT MY PROJECT, HE SAID KENYA WOULD BE A GOOD DESTINATION BECAUSE OF ITS GREAT FEATURES

Sarah Jacobs joined lofty with Ruvia villagers who joined her in standing in the bay at Ruvia Lake in Kwale, on the Kenyan south coast. They stood for 12 hours in a row

Sarah Jacobs at San Francisco Bay, US.

A MAJOR CHALLENGE IS THAT EACH CONTINENT HAS ITS OWN CHARACTERISTICS IN TERMS OF WEATHER AND TEMPERATURES, AND SOMETIMES SHE THINKS OF GIVING UP AND JUST GETTING OUT OF THE WATER
